Report of the Management Committee

for the year ended 31st March 2020

The Management Committee present their report and the audited financial statements for the year ended 31st March 2020. Included within the trustees' report is the directors' report as required by company law.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Objectives and activities

Greater Manchester Sports Partnership (GreaterSport) is the Greater Manchester (GM) charity committed to changing lives by inspiring a healthier future in GM through Sport and Physical Activity.

The objects of the Charity:

- a) To provide people in GM and surrounding neighbourhood with facilities for recreation or other leisure time occupation, in the interest of social welfare and with the object of improving the conditions of life of such persons without distinction on the grounds of race, gender, ethnic origin or disability;
- b) To advance the mental and physical health of the community by providing facilities for sport and physical activity.

Strategy

GreaterSport is a high performing Active Partnership, operating as a charity with a unique and trusted strategic partnership with the GM Combined Authority, Health and Social Care Partnership, the 10 local authorities in GM and Sport England.

In November 2017 GreaterSport launched its new strategy Changing Our Lives Together. Which reinforced its vision to change lives through physical activity and sport and help to make GM the most active region in England.

GreaterSport believes that physical activity and sport has a major contribution to make to the health, wealth and wellbeing of GM residents. This is the ambition outlined within GM Moving: The Plan for Physical Activity and Sport (2017-21), which is the comprehensive plan to reduce inactivity and increase participation in physical activity and sport that is aligned to the GM Population Health Plan priority themes and wider reform agenda.

Changing Lives Together drives GreaterSport forward with clarity and purpose, and describes how GreaterSport wholeheartedly commits to working alongside our partners to help achieve life changing outcomes for people across GM.

Activities:

GreaterSport, together with our partners, will work collaboratively to deliver 12 priorities within GM:

Report of the Management Committee

for the year ended 31st March 2020

- 1. **Lead policy, legislation and system change to support active lives**, ensuring that physical activity becomes a central feature in policy and practice related to planning, transport, health and social care, economic development, education and the environment.
- 2. **Provide strategic leadership** to secure system change for physical activity and sport across the life course, with person centred, preventative approaches in an integrated system.
- 3. Ensure that children aged 0-4 have the **best active start** in life with physical literacy prioritised as a central feature of starting well.
- 4. Make GM the **best place in England for children, young people and young adults aged 5-25 to grow up**, developing their life chances through a more active lifestyle, with a focus on reducing inequalities.
- 5. **Increase physical activity and sport across the adult population**, reducing inequalities and contributing to health, wealth and wellbeing.
- 6. **Make active ageing a central pillar within the GM Ageing Hub** supporting the GM ambition for an age friendly city region, which will lead to better health, wellbeing and independence.
- 7. Develop more **active and sustainable environments** and communities through active design and infrastructure.
- 8. Maximise the contribution of the physical activity and sport sector to **economic growth** across GM.
- 9. Build the knowledge, skills and understanding of the workforce across GM to embed physical activity, make every contact count and develop a diverse workforce fit to deliver the ambitions of GM Moving.
- 10. Ensure that evidence, data and insight inform the development of policy and practice to support active lives.
- 11. **Embed high quality evaluation into all GM Moving work**, developing quality standards, helping to understand impact, learn and improve, and support advocacy.
- 12. Deliver high quality **marketing and communications** to support messaging and engagement of people from priority audiences in active lives.

In order to achieve these shared priorities GreaterSport will:

- Provide leadership within GM to tackle inactivity and engage people in physical activity and sport, championing the contribution that physical activity and sport can have across strategic priorities within GM.
- Create a united voice, bring coherence, simplicity and connectivity to the physical activity and sport landscape. We will help to translate and facilitate connections to other sectors and vice versa to support action against the shared priorities. We will keep abreast of and engage with developments and governance structures in GM, representing the sector and keeping our network well informed.
- Support organisations in bringing the ambitions of GM Moving to life.
- Help land the ambitions of Sport England's Strategy, Towards an Active Nation within GM.

Report of the Management Committee

for the year ended 31st March 2020

- Work with our partners to develop a detailed understanding of people and places in GM connected to our priorities for physical activity and sport.
- Source and develop products, programmes and interventions in collaboration with local and national partners.
- Help embed and scale up good practice, share learning and use it as a catalyst for change.

How our activities deliver public benefit

The trustees have paid due regard to the Charity Commissions guidance on public benefit and Changing Lives remains the overall strategy for GreaterSport. Physical inactivity is a cross cutting issue that concerns the health and wellbeing of all GM residents.

- Over a quarter (26.2%) of the GM adult population (16 Years +) is inactive and nearly 4/10 (38%) are not active enough to benefit their health (i.e. not reaching CMO guidelines of 150 minutes a week).
- Physical inactivity is the fourth largest cause of disease and disability with 1 in 6 deaths linked to insufficient levels of physical activity. Up to 40% of long term conditions could be prevented by taking more exercise.
- Inactivity is estimated to cost the health services in GM £26.7 million per year (2013/14 figures). This figure relates to the main chronic diseases (heart disease, diabetes, CVD and cancer) that could be prevented by exercise.
- Over 50% of children and young people in GM are not active enough to benefit their health.
- Obesity impairs lives. It raises the risk of serious physical health conditions such as diabetes, heart disease, stroke and cancer. 65% of adults and 28% of children are classified as overweight or obese in GM, which is significantly worse than the UK average.
- Inactivity affects an individual's mental health. An active life reduces anxiety, lifts mood, reduces stress, promotes clearer thinking and a greater sense of calm, increases self-esteem and reduces the risk of depression. The social and emotional benefits include helping to make friends and connect with people, having fun, challenging stigma and discrimination.

Outcomes

The outcomes of our work are aligned to contributing to the Governments policy priorities with a strong focus on the broader outcomes of activity:

- Physical Wellbeing
- Mental Wellbeing
- Individual Development
- Community Development
- Economic Development

These outcomes are measured through the national survey Active Lives and National Health data sets, and are system indicators for change. GreaterSport sets out its priorities and plans each year to ensure our greatest possible contribution to progress.

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

Report of the Management Committee

for the year ended 31st March 2020

This report will also touch upon the effects of the Covid-19 pandemic whilst reflecting that the full extent of the impact on communities is emerging and therefore the impact on the work of the organisation won't be truly reflected for another 12 months.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

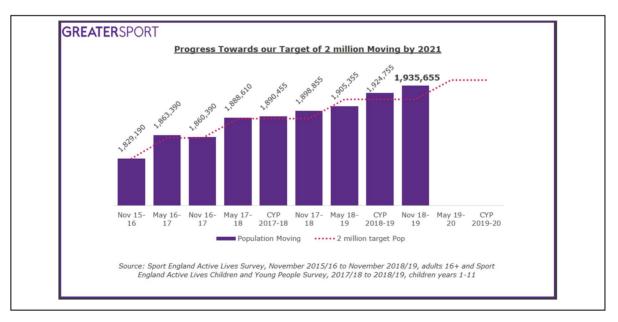

Achievements and performance

The charity's main activities and who it tries to help are described below. All its charitable activities focus on improving people's health and wellbeing through increasing physical activity and are undertaken to further GM Active Partnership's charitable purposes for the public benefit.

Use of Volunteers

Volunteers play a vital role in community sport all across GM and without the time, energy and commitment of these people many clubs, team sport sessions and coaching sessions would not be able to run. Based on the Active Lives data for GM, total volunteering numbers equalled 333,500. (Adults volunteering is 247,400 which is the 11.1%, Children and Young People volunteering is 86,100 which is 35.9%). More information and definitions for volunteering in GM can be found here: https://www.sportengland.org/know-your-audience/data/active-lives?section=measures#page

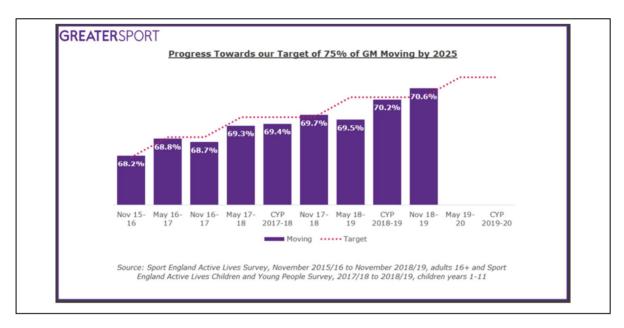

GreaterSport is uniquely positioned to deliver scale & impact across GM. Our success is a result of our strong partners who connect strategy to delivery at a local level. GM has increased the number of active and fairly active people by 36,800 in the last 12 months and is currently on track towards the 2 million target set for 2021 (Graph 1)

1: Progress Towards our Target of 2 million Moving by 2021

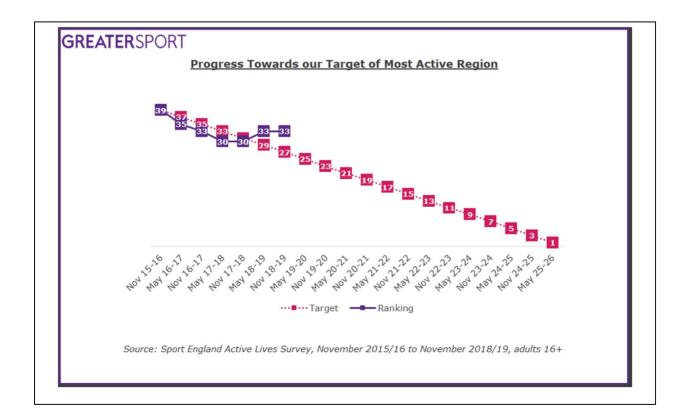

• Currently **70.6%** of the GM population is active an increase from 68.2% in 2015-16. This rate of improvement is on target to meet the GM Moving ambition of 75% by 2025 (Graph 2).

Key Successes

In 2019-20, GreaterSport continued to deliver on the 12 priorities within our strategy. Significant progress was made in all areas, reported in reports to our Board and shared via our communications team.

Our activities are wide ranging from policy and strategic influence, communications, learning and development, programme development and delivery, research, insight and evaluation. In 2019-20 we made continued progress to adapt and transform our work to respond to the changing world around us. Our areas of particular focus were:

- Being a great company to work for
- Creating the conditions for digital transformation
- Knowing what is working and why (research and evaluation)
- Focus on getting the inactive active
- Art of Story Telling

All of this provides leadership, support and activity to enable culture change, system change and behaviour change and enable active lives.

Some specific highlights included:

- Our strategic influencing and advocacy secured even greater political and senior leadership commitment to the physical activity agenda and helped to shape and influence GM strategy and priorities, and inform the direction of travel nationally.
- Research by Britain Thinks was translated into our marketing and communications strategy and campaign, changed the narrative around physical activity across GM and beyond.
- Work with the Frameworks Institute on public narrative and framing changed the way people across the system frame the public health and physical activity message, impacting on communications, individual learning and understanding.
- Work with our evaluation and learning partners, Substance and Sheffield Hallam University, to translate the learning into a deeper understanding of what makes culture change, system change and behaviour change possible. This started to shape our work and that of our partners locally and nationally.
- Improved staff and stakeholder survey results:
 - Be a great company to work for 68% Net Promotor Score (an increase of 43% from 2018-19)
 - Be valued by our customers and partners 74.5% Net promotor Score, an increase of 14.5% from 2018-19)

Specific work strand successes can be seen below:

Moving Forces:

- **277 participants signed up** as Moving Forces members (14.4% increase following Covid-19 lockdown)
- Participants who have completed a baseline and 6 month questionnaire have seen a significant increase in activity levels with an average increase from 2.82 days to 3.88 days per week; an increase of 38%.
- Sample of narrative feedback from members surveys:
 - "Extremely positive effect on my personal wellbeing, positively encouraged and not pressured into getting more active through a large amount of varied activities that are all delivered in an enthusiastic and professional way" – 6month survey

Report of the Management Committee

for the year ended 31st March 2020

 "Moving Forces has introduced me to a whole new group of people who I would now consider friends, and given me a means to socialise and exercise on a weekly basis." 12month survey

Active Ageing

- Engaged with **14,451** older adults across GM in terms of consultation/engagement, successful recruited **2666** older adults to the programme.
- At 3 months of activity, there was a significant decrease in the frequency of 'inactive' participants from 70% to 13%.
- Increase in the wellbeing of older adults from baseline, 3M and increases being maintained at 6 months.
- Successfully recruited older adults from lower socio-economic status backgrounds (identified by postcode deprivation indices).

Active Workplaces

- **179** businesses from public and private sector registered for the Active Workplace Toolkit in its first 6 months
- An employee reach of nearly **330,000** across GM via toolkit registrations
- On target to work with **100** Active Workplace Champions before Covid 19 pandemic struck.

Children and Young People

- Satellite Clubs 1663 new participants to Satellite clubs funded this year, exceeding our target of 900.
- GM School Games events engaged at county level **3558** participants (slightly lower due to winter games being cancelled due to Covid-19)
- Across the whole of GM in school games inter school level and county level- 171,896
 participants

Daily Mile:

- **60+** Primary schools, Nurseries, SEN schools and Secondary schools engaged in The Daily Mile initiative
- Approximately 10,800 children engaged in The Daily Mile

GM Moving:

- GM Moving conference attended by 192 people (2018 approximately 120 people)
- As part of GM Walking city region work:
 - Walking Festival May 2019 **429 Unique walks** (21 Additional events and activities) and **5864 attendances**
 - 98 Walking champions trained (Walking for Health and Informal workshops)

Workforce:

- **1534** people attended training or development opportunities ran by GreaterSport / GM Moving.
- The Volunteer Inspire Programme supported **1601** volunteers to access volunteer opportunities throughout GM contributing **8473** hours.

Report of the Management Committee

for the year ended 31st March 2020

Marketing and Communications:

- New GreaterSport website launched aligned to new brand and focus of the organisation moving from B2C to B2B
- **Professionalisation of the marketing team** to provide a more professional, consultancy style support to the wider GreaterSport Team

That Counts!

- That Counts! is our campaign to help get two million Greater Manchester residents moving by 2021.
- Three months into the two-year campaign, research showed it has increased the intention to exercise *and* self-reported activity levels have risen.
 - 26% of people said they were inactive before the campaign; three months later this dropped to 22%
 - 82% of people who had seen the campaign said they were doing more activity than the minimum – compared to 76% who were unaware.

Covid response - i.e. #KGMM

- In response to the lockdown and restrictions on daily movement, we launched a rapid response communications campaign. The overarching aim and the behaviour we wanted create through the communications is summarised below:
 - o **Get:** The whole population of GM impacted by the Covid-19 lockdown restrictions
 - o **To:** Remain motivated to keep active at home
 - By: Providing supportive and inspiring new content that's relevant to the Covid-19 context to demonstrate how to slot activity into lockdown life.
- The campaign has consisted of <u>4 brand new films</u> and new photography, blog content, PR and paid Social media advertising campaign aimed at broad GM population.

Key Outcomes and Beneficiaries of our Services:

The outcomes of our work are aligned to contributing to the Governments policy priorities with a strong focus on the broader outcomes of activity:

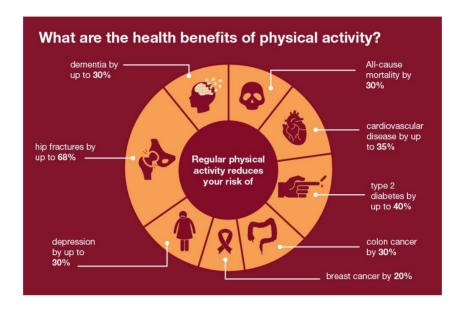

- Physical Wellbeing
- Mental Wellbeing
- Individual Development
- Community Development
- Economic Development

These outcomes are fundamentally measured through the national survey Active Lives and National Health data sets.

Financial review

This has been a successful year with a number of new funding streams. At the same time, a number of funding streams also came to an end during the year after successful completion of respective projects.

This has been a successful year with a number of new funding streams. At the same time, a number of funding streams also came to an end during the year after successful completion of respective projects.

Income for the year 2019/20 was approximately £3,470M, compared to £3,043M in 2018/19 (15% increase). This was mainly a result of the GM Moving Local Delivery Pilot capacity funding from Sport England. Sport England was GreaterSport's largest funder, contributing £2,118M in the financial year.

Expenditure for the year 2019/20 was approximately £3,198M, compared to £2,507M in 2018/19 (28% increase).

The total balance sheet equity was £1,856M in 2019/20, compared to £1,584M in 2018/19. As part of the Boards decision to reduce financial risks and also maximise investment income, the charity invested some of its reserves across the following banks; CAF Bank, Yorkshire Bank, & ShawBrook Bank.

Principal funding sources

GreaterSport has two significant funding agencies Sport England and GM Combined Authority (GMCA). Other funding is dependant of a variety of sources and individual applications and relationships.

Sport England Core funding remained at £511K during the year. GMCA funding remained at £175.6K during the year.

Sport England remain committed to funding Active Partnerships up to 2022 in line with their national strategy (Towards an Active Nation). This contract is performance related and will be reviewed on an annual basis.

Reserves policy

We hold reserves for the following purposes:

- coverage of our operating expenses in the event of a downturn in income and / or unforeseen increases in costs
- to meet the costs of unforeseen liabilities for employment or other legal claims not covered by insurance Trustees have maintained the reserve policy at six months. salary and running costs. Trustees for this reason, have made a provision £491,183 in line with the charity's reserve policy. It is expected that the six months. salary and running costs will be designated beginning next financial year.

Report of the Management Committee

for the year ended 31st March 2020

Unrestricted, Restricted and Designated Funds

At 31 March 2020, we held unrestricted funds of £830K (2018/19 - £806K). The following is the breakdown of unrestricted reserve held at the end of the year;

- £491,183 towards the six month reserve policy
- £2,613 designated for Sport Specific activities.
- £332,637 free reserves after removing £4,057 which is the book value of functional fixed assets. This is earmarked to cover projected deficits on core activities for the next three years.

Restricted funds are those funds that have been received for particular purposes and projects. Total restricted fund balance as at 31st March 2020 was £1.026M (2018/19 £778K). The increased restricted fund balance was mainly a result underspends for the year on the GM Moving Local Delivery Pilot programme.

GreaterSport was originally constituted in 1996 (as GM Youth Games) and changed its name in 2000 to GM School Partnership. The Articles of Association were amended in 2015 to reflect updated Company Objects and also current legislation.

Report of the Management Committee

for the year ended 31st March 2020

As a Charitable Company, GreaterSport has a Board of Directors who also serve as the Charity Trustees. Trustees/Directors are recruited against a skills matrix that defines areas that the company needs represented, in order to drive the business plan forward for the benefit of GM. The Development Manager (Business Operations) acts as Company Secretary. All Directors/Trustees undergo Induction Training. This is carried out by the CEO and supported by the Development Manager (Business Operations).

There is a comprehensive induction pack which includes Terms of Reference of the Board and Sub Groups; Trustee Job Description; Roles of the Board; Code of Conduct; Levels of Delegated Authority; Declaration of Interests, and, information on GreaterSport structure. Members of the charity guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up. The total number of such guarantees at 31st March 2020 was 12 (2019:12). The management committee are members of the charity but this entitles them only to voting rights. The management committee have no beneficial interest in the charity. All management committee give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in note 12 to the accounts.

The executive functions of the Company are handled by the Executive Team, which consists of Hayley Lever (Chief Executive Officer) and four Strategic Directors. The CEO and Directors have delegated powers for the day-to-day management of GreaterSport. GreaterSport is an independent company (as outlined above) but is part of a wider support network (the Active Partnership Network). The APN give support and guidance to APs as well as brokering relationships across different sport sectors, interested stakeholders and within Government.

Related parties and relationships with other organisations

GreaterSport is a Company Limited by Guarantee and a Registered Charity. It has no subsidiary undertakings. It works closely with a number of organisations and charities to further its charitable objects. These include National Governing Bodies of Sport, Active Partnership Network, GM combined Authority, GM Local Authorities, Health & Social Care Partnership, Sport England and other local sporting bodies.

Remuneration policy for key management personnel

GreaterSport has a Pay Policy Statement which sets out GreaterSport's approach to setting the pay of its employees by identifying the method by which all salaries of employees is determined and who is responsible for ensuring the policy is adhered to.

The policy sets out the organisation context for pay including stating that GreaterSport uses the nationally negotiated Local Government Public Sector pay spine as the basis for its rates of pay. The salary structure is in line with pay bands and identifies Pay Grades and Scale Points that each type of role falls between. The pay of the Senior Management Team is further determined and reviewed by the GreaterSport Board Nominations & Remuneration Sub-committee.

Report of the Management Committee

for the year ended 31st March 2020

Risk Management

The GreaterSport Board of Trustees has the overall responsibility to ensure that sound and effective risk management and internal control systems are maintained and reviewed for effectiveness. GreaterSport has created an Audit & Risk Sub-committee which supports the board and has delegated authority to agree (or, where appropriate, make recommendations) the following:

- a. Oversee and advise the Board on current risk exposures of the company and future risk strategy.
- b. Advise the board on the company's overall risk appetite, tolerance and strategy, taking account of the financial environment.
- c. Keep under review the company's overall risk assessment processes that inform the boards decision making.
- d. Set a standard for the accurate and timely monitoring of risk types of critical importance.
- e. Review the company's capability to identify and manage new risk types.
- f. Keep under review the effectiveness of the company's internal financial controls and risk management systems.
- g. Annually review the organisations risk management and internal control systems to ensure effectiveness and that the meet the aims for which they were established.
- h. Review proposed write-offs of aged debtors in excess of £1,000 with decision recommendations to the full board.
- i. Review the company's procedure for detecting fraud.
- j. Review the company's procedure for the prevention of bribery.

The Audit & Risk Sub-committee will then report to the Board after due review of the effectiveness of the Groups risk management and internal control systems. The Board considers the work and findings of the sub-committee in forming its own view on the effectiveness of the systems. The Executive Team together with the Development Manager (Business Operations) are responsible for designing and implementing risk management and internal control systems to manage risks with the whole team. The GreaterSport Risk Management Plan draws on guidance information from the Charity Commission, and is divided into the following risk areas based on GreaterSport's VOST plan:

- People
- Process
- Pounds
- Place
- Promotion

Under the above themes potential risks to the organisation are identified and assessed against the impact and likelihood (gross risk). Each risk then has identified control measures resulting in a net risk score. A clear line of responsibility for each risk is identified together with any actions required. The Company is insured through Howdens (Insurance Broker) and the policies cover the business risks of the company.

Impact of Covid-19

The full impact of Covid-19 on the wider system and partners won't be fully known for a twelve month period as lockdown occurred in the final weeks of the financial year to which this report is related. As an organisation, we have already shifted our delivery mechanisms moving quickly to various digital platforms. System conversations and training has also better utilised technology and opened the opportunities for stakeholders to participate.

Report of the Management Committee

for the year ended 31st March 2020

The organisation moved to home working in accordance with Government guidance and we are reviewing the ways the work in light of that shift, reflecting on what aspects we would like to keep and what we would like to change as we move towards building back better.

With regards to investment and financial stability, there has been confirmation from one of our primary funders (Sport England) that core investment has been secured up to March 2022. The GM Combined Authority have confirmed funding up to March 2021 and conversations have commenced regarding funding levels beyond that date.

The risks associated with Covid-19 are being recorded using the same process outlined above and being monitored by the GreaterSport Executive on a monthly basis and the GreaterSport Board quarterly.

Fund Raising

Once a year at the GreaterSport Awards, there is a fund raising element to the evening. This activity is undertaken by the staff of GreaterSport and we do not use professional fund raisers or commercial partners. No personal details are taken of people donating to the fund raising activity. Any donation and the amount is purely voluntary and there is no pressure placed on guests to contribute. We do not follow up any donations.

We have not had any complaints about the process that we use in order to raise funds at this event.

Report of the Management Committee

for the year ended 31st March 2020

Statement of responsibilities of the management committee

The management committee (who are also directors of GM Sports Partnership for the purposes of company law) are responsible for preparing the management committee's annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the management committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the management committee are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice
 have been followed, subject to any material departures disclosed and explained in the financial
 statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The management committee are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the management committee are aware:

- There is no relevant audit information of which the charitable company's auditors are unaware
- The management committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information

The management committee are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Greater Manchester Sports Partnership Report of the Management Committee

for the year ended 31st March 2020

Auditors

Slade & Cooper Ltd were re-appointed as the charitable company's auditors during the year and have expressed their willingness to continue in that capacity.

This report has been prepared in accordance with the provisions applicable to companies subject to the small companies' regime of the Companies Act 2006.

The management committee's annual report has been approved by the management committee on 18th September 2020 and signed on their behalf by

Mike Perls

Chair

Independent auditors' report to the members of Greater Manchester Sports Partnership

for the year ended 31st March 2020

Opinion

We have audited the financial statements of Greater Manchester Sports Partnership (the 'charitable company') for the year ended 31 March 2020, which comprise the Statement of Financial Activities (including the income and expenditure account), the Balance Sheet, the Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Independent auditors' report to the members of Greater Manchester Sports Partnership

for the year ended 31st March 2020

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the Trustees' Annual Report and from the requirement to prepare a strategic report.

Independent auditors' report to the members of Greater Manchester Sports Partnership

for the year ended 31st March 2020

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 15, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's members and its trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the accounts for the year ended 31 March 2020

1 Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), second edition - October 2019 (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006 and UK Generally Accepted Accounting Practice.

Greater Manchester Sports Partnership meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b Preparation of the accounts on a going concern basis

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

The trustees have made no key judgments which have a significant effect on the accounts. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

c Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

Notes to the accounts for the year ended 31 March 2020 (continued)

d Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised; refer to the trustees' annual report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

e Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

f Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

g Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs of delivering projects and courses undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Notes to the accounts for the year ended 31 March 2020 (continued)

h Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 12.

i Operating leases

Operating leases are leases in which the title to the assets, and the risks and rewards of ownership, remain with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

j Tangible fixed assets

Individual fixed assets costing £1,500 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Equipment 25%

k Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

I Current asset investments

Current asset investments include cash investments with a maturity of greater than three months from the date of acquisition or opening of the deposit or similar account.

m Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

n Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Notes to the accounts for the year ended 31 March 2020 (continued)

o Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

p Pensions

The charitable company is an admitted body of the Greater Manchester Pension Fund.

The Greater Manchester Pension Fund (GMPF) is a multi-employer defined benefit scheme administered for the benefit of Local Authorities and other bodies and is managed in accordance with the Local Government Pension Scheme Regulations 1997 (as amended). Past and present employees are covered by the provisions of the Greater Manchester Pension Scheme.

The GMPF is a Career Average pension scheme and benefits are not dependent on investment performance. Employees who join the Fund build up a pension pot which is revalued each year in line with Consumer Price Index (CPI). If a member has GMPF membership before 1st April 2014 they will have accrued benefits based on membership and final pay in accordance with the previous Final Salary pension scheme.

The trustees are unable to confirm the charity's share of the underlying assets and liabilities of the Greater Manchester Pension Scheme as there is insufficient information available and therefore the Scheme is accounted for as a defined contribution scheme. The Greater Manchester Pension Scheme provides that in the event that a single employer has individuals contributing to the scheme then any remaining liability for benefits payable under the scheme falls on that employer. Since the main participating employers are statutory bodies, the trustees consider it highly improbable that such a liability will ever fall to the charity.

The employer's contributions made to the scheme in 2020 were £180,613 (2019: £145,639) with an employer's contribution rate of 21.6% of pensionable pay. Employees' contribution rates are 5.8%, 6.5%, 6.8% or 8.5% depending on pensionable pay.

The agreed employer contribution rates are as follows:

| 2019/20 | 24.4% |
|---------|-------|
| 2020/21 | 24.7% |
| 2021/22 | 25.1% |
| 2022/23 | 25.4% |
| | |

The pension cost is assessed every three years in accordance with the advice of an independent qualified actuary. The latest actuarial valuation of the scheme was at 31 March 2019.

Key elements in the valuation of the fund at 31 March 2019 were as follows:

| | £m |
|--------------------------|--------|
| Past service liabilities | 23,314 |
| Assets | 23,884 |
| Surplus/(deficit) | 529 |
| Funding level | 102% |

Notes to the accounts for the year ended 31 March 2020 (continued)

2 Legal status of the charity

The charity is a company limited by guarantee registered in England and Wales and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The registered office address is disclosed on page 1.

27 Funds held as custodian

The charity acts as custodian for the funds of GM Moving. The balance is not included in the assets of Greater Manchester Sports Partnership and is held in separate bank accounts and accounted for under a separate accounting system to ensure the funds are easily identified. Transactions are approved by the following job roles:

Chief Executive GreaterSport / Executive Lead GM Moving, Local Pilot Strategic Lead and Local Pilot Programme Manager

The objective of the GM Moving project is to "positively change the lives of people across Greater Manchester through physical activity and sport. Building from our strengths and through systemwide collaboration reaching a target of 75% of people active or fairly active by 2025". This is consistent with the objects of Greater Manchester Sports Partnership. The Trustees do not necessarily make the decisions on how the money is spent; this is done by the GM Moving Executive which is made up from representatives from the following

organisations:
Greater Manchester Combined Authority
Greater Manchester Health and Social Care Partnership
10 GM
Transport for Greater Manchester
Tameside Council
Sport England
GM Active
Oldham Council
