Partner and Stakeholder feedback 2022

Greater Manchester Moving > ^ < v

- A shared movement for movement, working together to positively change the lives of people across GM.
- Our shared mission is to enable active lives for all.
- Our shared commitments, priorities and approach are set out in 'GM Moving in Action' our strategy for the next decade, 2021-31.

GREATERSPORT

- GreaterSport is a leading Greater Manchester charity. We play a strategic leadership role in support of GM Moving, the Greater Manchester wide movement, for movement.
- We are one of 42 Active Partnerships; a network of system partners working with Sport England to support the local implementation of the Uniting the Movement Strategy.
- GreaterSport lead and support people and partners across the system to develop and deliver on the whole system vision and approach to GM Moving in Action.

How likely is it that you would recommend the GreaterSport to a friend or colleague?

Describe what has gone well in working together over the last 12 months?

Describe what needs collective improvement in how *you/we* work together moving forward?

What do you value most about working with the Active Partnership?

Our role is to lead, support and connect people and partners across the system to develop and deliver on the whole system vision and approach to GM Moving in Action. Our organisational role is a critical one to the movement. We strive do this with passion, integrity and purpose.

When we're at our best, what do you notice about how we do this?

Looking ahead to where we want to be in 10yrs in enabling Active Lives for all in line with the ambition and commitment set out GM Moving in Action Strategy - what do we need to do:

- **More of**
- **Less of**
- **Improve how we play our part**
- **Do things differently**
