

Business operations

Our ambition:

Ensure GreaterSport is financially and legally compliant, a great company to work for and one that promotes and embeds equality, diversity and inclusion and environmental sustainability.

Our contribution:

We will provide high quality governance, HR support, business operations and financial expertise to our Board of Trustees, Executive Directors, and wider team.

Leading

...in IT and digital innovation, promoting a positive organisational culture, with environmental sustainability at its heart, and compliance with all statutory, regulatory and contractual requirements.

Supporting

...the GreaterSport Team in HR, administration, flexible working, and the Board of Trustees and the Exec Team in training, organising meetings and good governance.

Connecting

... colleagues by ensuring effective IT, HR and admin systems are in place across the whole organisation, and link with other Active Partnerships and external partners on best practice.
