**Right to the Streets Community Grant Fund**

GreaterSport in partnership with Trafford Community Collective, is delighted to support the Old Trafford, Stretford and Gorse Hill communities to reduce gendered violence; and to create and maintain safe spaces and a sense of belonging, to enable active and joyful lives. This community-based approach is part of the wider Right to the Streets project in Trafford.

**Do you have an idea, activity or event that can support one of the following themes:**

1. To help create a feeling of safety and belonging on the streets and public spaces with an invitation to be creative (painting, planting, performances etc)
2. To deliver engagement with and for the local community, centering on movement and activity (walking, wheeling, cycling, yoga, dance, group sports etc)
3. Create awareness around gendered violence and how we can make public spaces safer, particularly for women & girls
