#HAF2023

Funded by central government

Tameside Metropolitan Borough Council in partnership with Active Tameside have once again successfully delivered the Holiday Activity and Food programme throughout the borough. The funding from the 'Department Of Education' is given to allow us to support families on benefit-related free school meals (FSM). Meaning we are able to input solutions to prevent holiday hunger, and food poverty across Tameside.

Aims of the programme

As a result of this programme, we want children who attend this provision to:

- eat healthily over the school holidays
- be active during the school holidays
- take part in engaging and enriching activities which support the development of resilience, character and wellbeing along with their wider educational attainment
- be safe and not to be socially isolated
- have a greater knowledge of health and nutrition
- be more engaged with school and other local services.

We also want to ensure that the families who participate in this programme:

- develop their understanding of nutrition and food budgeting
- are signposted towards other information and support, for example, health, employment, education, early help and social care.

Summer Delivery

2023

Over the summer holidays Fuel 4 Fun commissioning allowed: 4 Active Tameside, 9 Schools, 13 Clubs, 1 PVI, 2 SEND Specific 4 Youth Sessions and 6 Community Groups to offer funded spaces to the children and young people on FSM throughout Tameside.

Throughout summer were able to offer 7,608 children and young people access to provision. Additionally, to this we also welcomed 2,400 people to Active Kenward for Tameside Rocks - Music festival and a further 1,000 families to Tameside cycle circuit for Tameside Rocks - Film Festival. Together across Tameside the total reach for face to face delivery for Fuel 4 Fun summer was 11,160 places.

Summer Delivery

#HAF2023

FSM Reached

The total number of FSM young people in Tameside in 2022 within primary, secondary and special schools was 10,983. Over the summer of 2023 we engaged 14% of these children and young people in daily activities.

Age

The total number of children and young people attending funded by HAF was 1,902 per week. These funded spaces were split between children and young people of both primary and secondary school age 72.03% being primary school and the remainder being secondary school age.

Food Hampers

In total throughout summer, we delivered 2,042 food hampers which equates to 10,290 healthy, nutritious, and balanced meals cooked, eaten, and enjoyed by our families

Attendance

On average participants attended 16 days of a possible 20 days when prebooked through providers.

Tameside Offer

100% of the children and young people who applied for HAF were able to access provision at some point through summer, whether this be at a holiday provision or summer event.

Vulnerable

207 vulnerable families were identified on the lead up to summer by working with the local early help team.

Feedback

“I just wanted to say a massive thank you to you. My son had an amazing time this summer at Active Oxford Park. My son has ADHD and autism and it’s great to see him involved and loving the activities you provide. The camps are a great deal for him, and they really help me too. He enjoys every aspect of it and is really looking forward to the next half term.”

Thank you Fuel 4 Fun my children have loved being involved in the session at Curzon Ashton and they’ve had a lovely summer.

“We just left the outdoor cinema viewing of The Greatest Showman and we had an amazing night! Hats off to the organisers and everyone involved because you all did an amazing job, we had the best night. The staff were lovely, the atmosphere was fun, food was nice, can't fault a thing. Thank you all for making our first outdoor cinema experience a great one! We hope you do more in the future.”
